Your Venue

Located in the heart of Derby's Cathedral Quarter, The Old Bell Hotel is a 17th century coaching inn which underwent a four year restoration project to restore its natural beauty and history. Experience a rich piece of Derby's history first hand.

Our historic building features a collection of intimate spaces as well as our large Grand Regency Ballroom, which can seat up to 130 guests. We're located within easy access to a range of city centre facilities including the Cathedral Quarter's designer shops and bars.

The Stables 20-70 guests

The Stables towards the rear of The Old Bell Hotel are a bright, cosy and quirky space. Converted from the original 17th century stables used for the horses and animals of The Old Bell Hotel.

The Tudor Room 20-40 guests

An intimate and cosy space with colourful stained windows and an open fireplace. The Tudor Rooms is perfect for smaller weddings with lots of character.

Grand Regency Ballroom 60-150 guests

The prestigious Grand Regency Ballroom was modelled to resemble the grand rooms of the Titanic with glass domes, golden chandeliers and artistic plasterwork.

Your Celebration

Whether you're looking for a small and intimate room to celebrate, or a large bright space to party the night away we have you covered. Our four different function spaces, the Champion, Tudor, Grand Regency Ballroom and Stables each boast a wealth of history and style.

Each of our rooms possess a unique style giving you more choice when picking a theme for your wedding. Our grade two listed building will bring a wealth of atmosphere to your big day and our team are bursting with ideas to help make your wedding day special.
